

## **Transparency Code for Smaller Authorities**

The Transparency Code for Smaller Authorities requires all councils to publish certain information on a freely accessible website. The Parish Council is fully compliant with the requirements and the relevant information is identified below:

- All items of expenditure above £100 – see minutes of meetings for details of all payments
- End of year accounts – see annual return in business section
- Annual governance statement – see annual return in business section
- Internal audit report – see annual return in business section
- List of councillor or member responsibilities – see councillors section
- Minutes, agendas and meeting papers of formal meetings – see minutes and business sections
- The details of public land and building assets - the Council is responsible for the Village Green, Nantwich Road and the green triangle at the junction of Nantwich Road and Station Road.
